

## DAY 1

Arrive in Broome, Western Australia.

Where the red dirt meets the ocean, the colourful pearling capital of Broome beckons travellers from around Australia and the world. Discover a region full of remarkable coastline and beautiful water ways, a land full of remote exquisiteness and ancient cultures.

Enjoy an intimate Safari group welcome dinner and drinks while watching the sun sink into the sea at Cable Beach.

Overnight in Broome.

## DAY 2

Board the magnificent Grumman Mallard flying boat for your departure from Broome and the beginning of your air adventure to Kuri Bay. This one-and-a-half-hour flight will take you over two of the wonders of the Kimberley Coast, Montgomery Reef and the Horizontal Waterfalls. At 80km long Montgomery Reef is Australia's largest inshore reef and a spectacle to behold as the entire reef appears to rise from the ocean on a falling tide. Described by David Attenborough as "one of the greatest natural wonders of the world" are the Horizontal Waterfalls, situated deep within Talbot Bay in the Buccaneer Archipelago. The sight of the turquoise blue water rushing between the red cliffs is best viewed from the seat of a Grumman Mallard. Your air adventure winds its way up the Dampier Peninsular, overhead the unrivalled pristine white beaches and remote beauty of Cape Leveque to conclude in Kuri Bay. Descend over the magnificent red rock escarpments to the serene Kuri Bay, home to Australia's first cultured pearl farm.

Begin your pearling discovery on the shores of Australia's oldest Pearling farm. Discover the secrets that lie within the Pinctada Maxima shell and the intricate Pearling methods still used today.

Spend the afternoon Cruising Brecknock Harbour soaking in the tranquillity and experience the exclusive opportunity for Whale watching in the afternoon at Kuri Bay during certain times of the year when the humpback whales migrate to warmer waters. The sheltered inlets of Kuri Bay provide the perfect nursery for the Humpback whales to give birth to their calves. Aboard a Paspaley vessel watch as the mothers teach their inquisitive calves to breach and dive, or increase the adrenalin of the afternoon by fishing for Giant Trevally, Snapper and Mangrove Jack.

Complete the day's adventures by watching the sun slip away with champagne and exclusive Paspaley pearl meat canapés. A three course dinner overlooking the bay will showcase flavours from the Kimberley, before retiring to the uniqueness of the traditional pearlers accommodation.

Over night at Kuri Bay.

### DAY 3

Wake to a beautiful breakfast overlooking the picturesque coastline.

Your adventure will continue on board our iconic Mallard flying boat, where you will be taken over the ancient steep-sided mountain ranges and discover from the air, the extensive sandstone and limestone gorges. Soar over the Prince Regent River system, a UNESCO world biosphere, to reveal the spellbinding Mitchell Falls.

There are very few places in the world where you can enjoy fabulous scenery, gourmet food, unique beach front accommodation, spectacular fishing and ancient rock art – all combined with unparalleled hospitality in a remote wilderness location. Welcome to Kimberley Coastal Camp.

Established in 1994 Kimberley Coastal Camp is nestled on the pristine shores of the Admiralty Gulf in the heart of the great Kimberley wilderness.

Begin our Kimberley Coastal Camp adventure by discovering intriguing Wandjina and Gwion Gwion (Bradshaw) rock art which has been part of this landscape and the lives of its traditional owners for thousands of years. The exquisite art forms that adorn caves and rock panels throughout Yalrundair are what make a visit to Kimberley Coastal Camp truly unique.

Spend your afternoon fishing for the fabled Barramundi and dozens of other tropical species in the pristine azure waters the area is famous for.

Overnight Kimberley Coastal Camp.

## DAY 4

The Grumman Mallard will pick up guests from the shores of Kimberley Coastal Camp where the next part of our journey is a hop, skip and jump in our majestic flying boat to a very special location. The Paspaley Kimberley Pearl Farm. Experience the exhilarating sensation of landing on the water as you arrive at the Kimberley Farm and board Paspaley's purpose-built farming vessel, the MV Roslynne. Continue your journey into the secret life of pearls with an intimate pearling experience and see the wonders of the pearling harvest.

Continue your adventure where you will fly over the rugged remote North Kimberley Coast. Your pilots will guide your scenic flight over the King George River System to the breathtaking twin King George Falls before heading to the Berkley River Lodge.

Touchdown on the Berkley River, home to Australia's most remote mainland luxury lodge experience, only accessible by air, getting to the Berkeley River Lodge is half the adventure. Leave modern life far behind and relax into the rhythms of nature in your luxurious villa floating atop the coastal dunes. Be one of the privileged few to set eyes upon breathtaking wilderness landscapes by river cruise and Grumman Mallard.

After lunch enjoy a leisurely drive along the beachfront. Marvel at the beautiful light, cool sea breezes and a chance to spot a local resident such as saltwater crocodiles, seabirds, and sometimes even sharks that swim close enough to the tideline!!!

We head along the beach and through the dunes towards Cape St Lambert rocks, our Guide will pack a selection of cold beverages and a cheese and dip platter, where we will stop and enjoy the spectacular surrounds and even watch a magical sunset.

The Berkeley River Lodge's restaurant Dunes combines flavours as rich as the scenery with unprecedented views across the expanse of the Timor Sea and the impressive backdrop of the Berkeley River mouth, Reveley Island, and the spectacular Kimberley coastline.

The Berkeley River Lodge offers a casual yet decadent dining experience featuring breakfast cooked to order and degustation dinner menus teamed with a fine selection of Australian wines.

Overnight at Berkley River Lodge.

## DAY 5

Begin the final day onboard a Berkley River Cruise and gorge hike to Casuarina Falls, a cooling dip in the secluded waterholes of Berkeley Creek and get the chance to spot native flora and fauna, from saltwater crocodiles to rock wallabies and birds of prey.

The G-73AT Grumman Mallard will whisk you from the shores of Berkley River Lodge for your final air adventure over the Top End. Your flight will take you over the remote shores of Bynoe Harbour, a Pearl shell nursery, an integral part of the Paspaley's Pearl cultivation. Take in the beautiful city skyline of Darwin, a land where the Outback meets the tropics.

Enjoy an intimate Safari group dinner and drinks at the Darwin Waterfront.

Overnight Darwin.
